

Hi Gym Fest Families!

**PLEASE READ ALL THE
IMPORTANT INFORMATION BELOW**

We have published all 10 sessions of the **2026 70s Disco Gym Fest** on our website where you will need to find your child's name(s), the **session** and **time** that they are scheduled for. Scroll down each page until you find your child's name in the session.

Here is that link: <https://phoenixgymnasticsacademy.com/special-events/#gymfest>

SCHEDULE: On the website you should find the **Session Times Button**

TICKETS: Tickets are now available for purchase. On our website go to events tab, click or tap the **button to purchase tickets** online. Adult tickets are listed in order by session & time. Scroll down to purchase child tickets also listed by session & time. We have also posted the session schedule at the gym in the lobby and upstairs as well as signs with QR code for ticket purchase.

Print your tickets or save them on your phone. Bring it to the admissions table on Friday & Saturday. If you have kids in more than 1 session, only buy tickets for the first session that they will be performing at and let us know at check in the other sessions you will be attending as well.

In most cases we were able to get families with more than 1 student in the same or back-to-back sessions. We may not have been able to accommodate everyone because of the difference in the format of various sessions.

Admissions & Check-In will be at the back of the building (Garage Door)

We left a 20-minute window between sessions so that people finishing can leave before the next group arrives. Hopefully this will help with the crazy parking situation. Please don't arrive more than **10 minutes** early or you will be waiting outside to get in. Also don't be late, so we can start on time. We don't want the kids to miss their **Grand March In**. Each session should last 50 minutes to an hour. There will be seating in the gym (chairs & bleachers)

The gym will be decorated in a **70s Disco** theme and we will be doing a theme march in and introductions before the kids begin performing at each session. There will be several squads performing at the same time. School Age kids will receive ribbons for each event, All the kids will receive a special custom "**70s Disco**" Gym Fest All Around medal and goodie bag.

The kids have been working hard on their routines and are excited to perform. **Please remember, this is for fun!!!** Our goal is for the children to experience a fun gymnastics exhibition style show. We want them to show off the skills that they have been practicing even if they have not quite mastered all of them yet. Our coaches will be assisting every child if they need a spot or a reminder of "**what comes next?**"
